## **2. Scope of Supply**

The Poly Propylene Random copolymer (PPR) Pipes conforming to relevant BIS Code with up to date amendment & current at the time of delivery, are contemplated to be procured by the Assam Public Health Engineering Department through different empanelled contractors from time to time to be utilized against house connection in different Piped Water Supply Schemes under Jal Jeevan Mission Assam for providing drinking water to the people in rural areas. It is to mention here that the Department will only empanel the manufacturers on the basis of their technical qualification for supplying the pipes through willing contractors and no such purchase will be carried out by the Department on its own. Hence no rates are sought from the intending manufacturer through this EOI.

## **3. Security against empanelment**

A security against empanelment of Rs 1.00 Lakh is to be submitted by the different technically responsive manufacturers at the time of signing the agreement for empanelment, in the form of TDR/FDR or Bank Guarantee from any Scheduled/Nationalized Bank. NSC or KVP of same value may also be submitted as the instrument for security deposit. The instruments for the performance guarantee should be pledged in the favour of the Chief Engineer (PHE) Water Assam. The validity of such instruments should be for atleast 1 year.

## **4. FORFEITURE OF SECURITY AGAINST EMPANELMENT:**

The security deposited by the empanelled manufacturer shall be forfeited (a) if he fails to execute the supply contract within specified time period/ poor delivery track record, (b) if the manufacturer withdraw the empanelment agreement without prior information to the Department and (c) if the Manufacturer breaches any provisions of code of integrity prescribed for bidders in clause no. 11 of Assam Public Procurement Act, 2017.
